

# Signing Authority Agreement & Membership

<b>Club Name:</b>	Competitive Computer Coding Club
-------------------	----------------------------------

We, the Competitive Computer Coding Club having read and understood the SAMRU Bylaws, Club Policies, code of ethics and other related material do hereby agree to abide by the terms and conditions of registration as stated by the Students' Association of Mount Royal University.

Furthermore, we agree to follow the policies and bylaws of the Students' Association of Mount Royal University under which we are ratified, the instructions of the Students' Council, the Clubs Coordinator and any applicable Mount Royal University policies and to adhere to the constitution and/or bylaws of our Club.

In addition, we give permission to have the Clubs Coordinator contact our signing authorities for club-related communications (monthly clubs newsletter, etc.).

Signing Authorities: Each registered club must have at least three signing authorities, but four is best. These members will be the only members who will have the authority to access the club's account.

## Permission of Verification of Student Status

All SAMRU Club Signing Authorities and members are required to be credit students at Mount Royal University.

I hereby authorize the office of the registrar to release my student status to the Students Association of Mount Royal University (SAMRU) in order to run and determine eligibility for programs and services.

Club Name:

Name	Student ID	Signature
Thomas Igousi	201148726	By checking this box, you are authorizing the office of the registrar to release your student status to SAMRU
Sunny Parmar	201704539	By checking this box, you are authorizing the office of the registrar to release your student status to SAMRU
Sebastian Seifert Berton	201690980	By checking this box, you are authorizing the office of the registrar to release your student status to SAMRU
		By checking this box, you are authorizing the office of the registrar to release your student status to SAMRU

*I understand that the SAMRU collects information from me from time to time, in order to run programs and services, including the Clubs program. The SAMRU respects students' right to privacy and confidential services. This means that any information disclosed during my contact with SAMRU will be kept confidential. SAMRU staff and volunteers are required to maintain the confidentiality of personal information provided by students accessing services. This information may be shared for the purposes of referral, debriefing, follow-up, quality control, or program management, and in the case of a suspicion of potential violence or self-harm. Normally, confidential information will be shared only between volunteers and their supervisors. Occasionally, information must be shared with external organizations in order to administer and manage Students' Association programs and services, and to maintain the Students' Association records. This information will be collected, used and disclosed in accordance with our Privacy Policy, a copy of which is available on request. Information may be disclosed to third parties in order to meet specific contractual and legislative requirements required to deliver services.*
